EDUCATION

Vidyalankar Institute of Technology
Bachelor of Technology in Computer Engineering

Wadala, MUM
Aug. 2023 – NOW

S.K Somaiya JR.college of science and commerce
11th and 12th

Vidyavihar, MUM
Aug. 2021 – May 2023

OBJECTIVE

Enthusiastic and motivated 1st-year Computer Engineering student at VIT with a strong foundation in programming languages such as C, C++, JAVA and MATLAB. Eager to apply my skills and gain practical experience in a dynamic learning environment.

PROJECTS

Wireless Screen Share | *Arduino, C, C++*

September 2023 – December 2023

- made a arduino project which displayed one LCD content to the other display wirelessly
- Used C, C++ as well arduino languages for tasks

Digital Calculator | *C, Java*

- Designed and implemented a digital calculator using MATLAB, incorporating basic arithmetic operations and user input/output functionalities.

Implementation of Data Structures | *C++*

- Developed various data structures including linked lists, stacks, and queues in C++ to understand fundamental concepts and improve problem-solving skills.

SKILLS

- Proficient in C, C++, BASIC Java, and MATLAB
- Strong understanding of data structures and algorithms
- Familiarity with object-oriented programming principles
- Problem-solving skills and logical reasoning abilities
- Basic knowledge of digital logic design and computer organization
- Excellent verbal and written communication skills
- Quick learner with a passion for exploring new technologies

TECHNICAL SKILLS

Languages: Java, C/C++, MATLAB

Developer Tools: VS Code, Visual Studio, Turbo C, Eclipse
